Motor Car.

(BY L. C. DEMARKE)

To one who has spent five consecutive rinters in the Ohio walley, delightful in point of the company a three days' drizzle followed by a blinding mow storm, a sleet, a thaw, a slush, a veritable Pandora box, metaphorically speaking, Jupiter Pluvius shuffling the cards -to one I say who has been an ocular, meteorological freakishness the Daytona

environs promise a respite. Her sunkined waters redect bright-ness her festoons of Spanish moss wave a welcome, the clusters of golden citrus fruits delight the eye, the thundering sarf pounding upon the finest beach in all the world thrills the soul; the looping fish, the diving water birds, the barking uirrels, the trailing vines, the variapated flowers, the bulmy trade winds from the Indian islands blend in one great soul-pleasing harmony: these and many other attractions not to be resisted make this the meeen of the Yankee, the rendezvous of the old Rebel, the sanitarium of the ailing-in

fact a constant source of delight for everybody from everywhere. Did you ever stop to notice what marked changes is people, in business, in the appearance of things in general pecur in the brist space of five years? The marked changes in our own families have come imperceptibly, perhaps, the transition, owing to daily association, not being noted, but to the one absent for a half decade a very decided change is observed; a more generous sprinkle of gray hairs, a maturer voice, a more dignified bearing characterize numbers EMPEROR WILLIAM AND FRANZ whom I shall not mention by name, men and women of middle life, good yet for many years of usefulness. A few, beginning to show the weight of years. are slowing down. The romping girl of twelve with frocks at knees and flowing ceris has metamorphosed; curls gone up and frocks gone down, has passed the debutante milestone, not Annabelle and Jeannette, now Miss Smith and Miss Jones. That lubberly boy I left with the tenor voice is now talking bass. He lea't whistling through his thumbs to his chums up at Gille's dock or shooting BB's at sand or be over on the beach; be's just cast his first vote for one of the Bills and is full of business enterprises. Those proud and chivalrous Benedicts who in the "conventional

Franklin Edwards, Donald Les.ies, Henry To. Joan Frances, Mira Maxines, Elde Denes, future senators and presi-Humorously speaking these general singup are observed by the occasional visiter. Dropping the jocular vein and once so familiar I miss. Our ex-Mayor Chas. L. Smith with his strong yet kindly face, strong voice and strong Mty, ex-Mayor Harris, a master artist, as also was his talented wife, in work; "Jay" Wilkinson, the had Apollo of Daytona, and liked

Music an Added Blessing.

The absence of Father J. F. O'Boyle,

of St. Paul's church and the abo

At the Baptist church the Rev. C. C. Gillett, of Scabroose, preached a stirring sermon which was gladly heard at the morning service and the congregation was dismissed in the evening so as to enable those who wished to attend the ast of the revival services by Rev. Harris at the Methodist church at Daytona Beach.

At the Methodist Episcopal church the Rev. Porter, Presiding Elder of the district, delivered a strong temperance discourse and administered the sacraments of the Lord's Supper. Excellent music was a marked feature of the service. The pastor of the church, the Rev. H. D. Rutter, deserves much praise for his efforts to provide a new organ for his church. A two-manal pedal organ with electricity as motive power has been ordered and will make an appreciated addition On next Sun-day the pastor will preach a sermon on

roper amusement . The Rev. Byron F, Marsh preached most interesting temperance sermon at the Congregational church, replete with facts showing the ohward march of temperance. The audience was large and thoroughl, appreciative.

JOSEF BURNED IN EFFIGY

National Hatred is Rapidly De veloping and Greater Trouble

Appears on Horizon.

(By United Press. Vienna, (via frontier) Dec. 1.-A profound sensation was created here by the burning in effigy of Emperor William and Franze Josef, the trampling of the

country's ensigns. A bitter race war is raging between the German element of the population and rival national hatred is sweeping black" led to Hymen's altars the fairest this half of the dual empire.

FORT AU PRINCE IN FOMENT BECAUSE OF INVESTMENT

Fearing a Night Attack From Simons.

[By United Press.] Port Au Prince, Dec. 1.-Not later than twenty-four hours at the outside is expected opening fusillade of battle between General Simons of the rebel army, and the government forces that invest capitol. The defeat or the suc cess of the present uprising will be building of the road to New Smyrna.

the city and inhabitants are in a state plans a night attack.

quickly determined.

es Came—The City in

The report yesterday about dusk that Major J. A Hendricks had been for shot and found leaning upon a wi on the outskirts of town, flow like wild fire and the truth of the startling report was quickly verified. The of so shocking an accident startled city throughout its length and has bee

the absorbing subject of comment does.

The facts of the deplorable secident as gathered by the News are there: He jor Hendricks left home about eight o'clock in the morning for a bird hant expecting to take a leisure day of it, and carried a lunch with him. His journeyings through the day are not known, but nt ab 2:8:30 o'clock Mesers Less Despland, J. D. Maley and S. W. O'latin heard a muffled gunshot, but it atte

no particular attention and was only recalled when the dead body of Hajo Hendricks was found by Mr. De on the latter's grounds about avoil The body lay across a wire, from instrument of death, an imp merless shot gun, clenched in his has the muzzle yet against his body. It seems clear from the surro that it was purely accidental. A rel-metto log lay against the fer so on one

side and a ditch was upon the ther side emerging at back of neck. & Death must have been almost instantaneous as there

Justice Titus, ex-officio coroner, viewsupper, which will take place at Social ed the body and his conclusion was that death was due to the accidental discharge of the gun as above recited. The body was at once removed to the undertaking establishment of Bingham & Maley and received proper atten ion.

Major Hendricks came to Laytona six years ago last April, and found the atmosphere so congenial and salubrious and the surroundings so inviting that he immediately determined to make this

his future home. He was born in Athens, Alabama, in 1847, where he grew to manfood and The City Council last Friday evening was educated. He then took ip a resipassed on final reading several amend- dence in Tennessee, but it was not what dinance. At noon today, however, kentucky, and began a business career Mayor Seaman had not approved the as traveling salesman for a firm of that city. While making Louisvill a his headquarters he met and married the wife

> From Louisville he moved, West to Colorado and engaged in the mining business, but this did not prove satisfactory so he returned to Lou svile and again, after a time, drifted back to his home State, where he assumed charge of all commissaries of the Tennessee Coal Iron and Railway Company.

> Something like sevely years ago his health became involved and he decided upon a milder climate with the result that he closed out his interests at Bessemer, Ala., and came to this city. He stock of J. R. Hill and at once entered upon an important business career on

Beach street. Because of his prominence and interest in city affairs his fellow citizens elected him to the city council, where he

rendered distinguished service. He was a member of the Florida East Coast Automobile Association and because of his interest in the association was chosen vice president of that body. To his exertion was due largely the

He was a prominent Mason, and the Simons is now but a few miles from last sad rites in his honor will be under the auspices of the local Masonic order. of frenzy from the report that leader The funeral will be conducted from the I house to-morrow at 2:30 o'clock.

EMERGENCY HOSPITAL IN

morth, a glast in the business work! you gentle as a women with his neighbors and friends. He was quiet to recognize the incomparable business of our city and was pleased to some and make it re. Day-

the last earthly roll-call, but a glance at ing a city. He had just surrendered his business cares, built a delightful cottage and decided to move slowly and easily down the western horison when the mmons came, and J. H. Niver an-

One of God's noblemen, big-hearted and distinguished looking, was William Wicking, Jovial, a keen sense of humor, he was always a welcome presence in any gathering. He was connected with reveral important business enterprises. and an important factor in the early development of the city. May the sod This, the in tial issue of the Daily News for the season 1908-09 shows you rest lightly on Mr. Wicking's grave.

> John B. Parkinson, aggressive, a regmoment; he mastered the details and was right within.
> was so intensely interested, interesting nother famili and in earnest that in the presentation pioned he usually carried conviction and "won out." He labored in season ter with a Parkinson in every block.

And Col. C. H. Spencer, the noblest Roman of them all. With his passing a conspicuous landmark is gone. This is why the writer thought the Colonel

and smallers, of nature discrimination, a giant out as it were towering above the college at its fact; the writer twelve that has discussed editorial charge of the Daily Daytonian. Meeting the Colonel so the street after the initial a carance I was cordially greeted with Your paper is elever, out of the ordinmy; I am for you, young man." He oved that be meant it, and this is why

Col. C. C. Post had the bearing of sourtly Southerner of anti-bellum days. The pressure of urgent business deands were never so insistent as t ake him abrupt, and yet few men in the Daytona district ever drove at one time more diverse business schemes, enterprises which pushed to successful Post, a woman of unusual mental atainments, attainments which gave her a natural reputation, was likewise conuous in all this work, and now that they have joined the majority on the other side we forget our differences and conflicts of opinions and drop a flower in tribute to their good deeds which live on. They were big and vigorous of mind, faithful to their obligations, libby friends and followers far and wide.

eral with their friends, and are mourned All of us enjoyed watching H. F. Douglass load his pipe and the draughts of satisfaction in the cloudy rings of moke he blew toward the ceiling of the old City Hall will linger long in many memories. There is bound to be lots of

mellowness, kindness and soundness in the make-up of any man who could sing as H. F. Douglass sang. He was always at his post, and usually right up with ular storage-battery of energy, grasped his work, and if he sometimes seemed to present a gruff exterior you knew he present a gruff exterior you knew he

nother familiar figure on Daytona streets, but recently passed to the unof any argument in any cause he cham- known bourne from which but one has ever returned, was Alexander Bury. No more gentle-spirited, refined, agreeable, and out of season for the town he loved, companionable people than Mr. and and his premature departure leaves a Mrs. Bury visited here. The Bible says void difficult to fill. Daytona were bet- there is a better land than Daytonamany are loth to believe it-and that such as they will be re-united, even happier and better than here.

And still another to answer the las roll-call was J. M. Garland, prominent possessed of extraordinarily large mer - in church work, and for years a conspicuous figure in the development of Daytona. The ranks of the "Old Guard" have been decimated; their arms have been handed down to those now on Daytona's firing line, and all hope and believe they may acquit themselves with as much credit as have the distinguished coterie, whose noble and often self-sacrificing achievements inspired

this brief, desultory running sketch A commanding figure was the Rev. C. W. Arnold: of unusual height, and of striking appearance: he was one of the very few men who could ride a bicycle without a compromise of his dignity, State. and he delighted in this most healthful diversion. He was every wav exemplary, consistent and critically careful. The writer called one day at the rectory and asked for a program of his Thanksgiving exercises. He replied: "You mean Thanksgiving 'services.'" The correction was accepted and program of "services" published.

and citizens generally was the late Rev. note vicissitudes. C. M. Bingham. A stalwart character mentally, physically and morally, he has left a lasting imprint of his strong personality. It is paying a light tribute to say that Daytona and Volusia county NEWS OF THE HOTELS are called aerolites. They are suppose nd wrought here. Pinewood is hallowed by holding his earthly ashes in
